Skills

Html5, CSS3, JavaScript, SQL, jQuery, Java, Debugging, Communication Skills, Leadership Experience

Experience

I.T. Analyst
Tata Consultancy Services (TCS) • Vadodara, Gujarat
01/2024 - 12/2024

- Designed, developed, and optimized customized web pages to meet clients' specific needs, and enhance user experience.
- Successfully addressed and resolved complex technical challenges within established timelines across both production and non-production environments, delivering effective solutions that reduced the post-production error rate by 7%.
- Delivered comprehensive support to end users and customers, and assisted in the troubleshooting and resolution of website-related issues.
- Managed multiple production deployments.
- Trained and mentored junior associates, overseeing their tasks and performance, while conducting evaluations to assess their progress.

Systems Engineer
Tata Consultancy Services (TCS) • Ahmedabad, Gujarat
10/2021 - 12/2023

- Independently created high-quality web pages, tailored to meet customer requirements.
- Enhanced process documentation coverage from 30% to 50% by constructing comprehensive technical documentation for a range of existing processes.
- Collaborated with the framework and QA teams to ensure timely project delivery, while providing regular status updates to the project manager.

Assistant Systems Engineer
Tata Consultancy Services (TCS) • Mumbai, Maharashtra
09/2020 - 09/2021

- Developed cross-browser-compatible HTML, CSS, and JavaScript code, ensuring code stability, scalability, and reusability.
- Enhanced customer satisfaction by 12% through the development of a new, user-friendly UI, and by implementing improvements to existing live webpages.

Assistant System Engineer Trainee
Tata Consultancy Services (TCS) • Mumbai, Maharashtra
08/2019 - 08/2020

- Learned the end-to-end project workflow and client deliverables for Avis Car Rental, a high-end, USA-based client. Gained a fundamental understanding of mainframe applications, and conducted testing as part of the software development lifecycle.

Web Developer Intern
Simform Solutions • Ahmedabad, Gujarat
01/2019 - 04/2019

- Collaborated within a multi-disciplinary team, conducting tasks such as requirements analysis, testing, and providing support to senior developers with HTML, CSS, Node.js, and SQL, to develop websites in accordance with industry standards.
